UPPER PENINSULA STATE BANK TO OPEN DOORS OF NEW DOWNTOWN OFFICE IN HOUGHTON

Hiring of Brian Donnelly as its Houghton County Top Officer

Upper Peninsula State Bank is pleased to announce plans to open its new banking office at 906 College Avenue in Houghton in early December. The Bank currently operates a full-service banking office in Houghton at 960 Razorback Drive, Suite #1, which opened in July 2022. The Bank also announced the hiring of Brian Donnelly as its Community Bank President – Copper Country. Donnelly is an experienced, well-connected banker who has spent his career serving the Keweenaw and Copper Country. He looks forward to joining Upper Peninsula State Bank, where he and the team will deliver all banking products and services.

Upper Peninsula State Bank President and CEO, David Williams stated, "Building a new office in the vibrant Houghton area underscored our commitment to the Copper County. We have been extremely proud to not only expand to this area, but now add a permanent, first-class banking experience in the heart of downtown. This investment will continue to allow us to bring our full complement of banking services to the community - including commercial, mortgage, and consumer loans, a full array of deposit products, e-banking services, and brokerage services."

Donnelly was equally excited to join the Upper Peninsula State Bank team. "I am honored to join Upper Peninsula State Bank, especially in conjunction with this significant investment in the Copper Country. I share the bank's commitment to U.P. communities, and we look forward to fueling growth in our area." Williams went on to state, "Mr. Donnelly is a top-tier banker with a diverse background and the skills and knowledge to further invest us in the community. We're thrilled to work together and continue expanding our footprint in the Copper Country."
