About Hansen's Automotive & Storage

Established in 2004, Hansen Automotive specializes in selling primarily late model preowned cars, trucks, vans, sport utilities, and ATVs. Our hand selected vehicles go through a 127-point presale inspection which is the best and most extensive in the area, and unless specified also include a 1-year warranty. Vehicles are completely serviced, detailed and come with a free Carfax vehicle history report. We acquire our automobiles through a network of dealer wholesaling and customer trade-ins.
